FOR ART LOVERS

A journey through timeless Latin American art

HOTEL B

Hotel B is located in Barranco, a protected area, filled with historic houses. In the district you will find numerous boutiques, galleries and museums. The arts-boutique hotel is no exception since it houses its own unique art collection with the majority of pieces belonging to the private collection of the hotel owners.

MEET THE ARTIST

Our in-house curator will greet you with a glass of Cava or Pisco Sour and lead you on a walk through the different areas of the hotel. Among the most famous artists you will see during the tour are José Tola, Víctor Rodríguez, Miguel Aguirre, Carlos Runcie Tanaka and Aldo Chaparro.

B-ART GIFT SHOP

The art tour ends with a small token of appreciation from the hotel and a stop at our gift shop. B-ART offers a sample of its most iconic and representative art in small portable formats so you can take them home with you.
